The Access Dinghy Association have planning another exciting series of races for all you Access Dinghy sailors who like to travel to other clubs in 2003. We have been able to add one new venue as well as returning to all the excellent clubs that we sailed at last year.

We have a total of thirteen events nine of which are TT's, one a Teaching day, one the National Championship, one a special event in Wales designed to introduce Access sailing to that country and one a special Rotary event that will be invitation only.

In the Traveller Trophy (TT) competition five events will count this will keep the contest achievable to those who cannot make it to them all.

Once again the Carsington TT will in addition to being a TT race for the "Duke of Devonshire Trophy".

We have again included two in week events this year to tie in with some sailing groups that prefer weekday sailing.

We have seven "one day" weekend events (for those who prefer not to stay away from home)

Also a "two day" weekend National Championships, (The National Championships will not count as a "Traveller Trophy" event).

We have also planned one race training event at Whitefriars on the Friday before the National Championships (this is yet to be confirmed so check with Pete Bisson before you make firm travel or accomodation arrangements), (This will also not count as a "Traveller Trophy" event.

We aim to build on the success of the 2001 and 2002 'Traveller series' with a friendly 'Apres sail' atmosphere, where you can meet old friends and make new ones. **So do join in!** All those who joined us in 2000, 2001 and 2002 will tell you what good fun we had. We look forward to seeing you all there.
