

2018 Hansa UK National and International Open Event Invitation.

13th, 14th and 15th July 2018

Notts County Sailability extends a warm and friendly invitation to all Hansa Class sailors to participate in the Hansa UK National and International Open Event to be held at Nottinghamshire County Sailing Club, on the 13th, 14th and 15th July 2018.

Notts County sail at Hoveringham Water, Hoveringham Lane, Nottingham NG14 7JX.
www.ncsc.org.uk The Clubhouse phone is 01636 830065.

The event is being organised by Notts County Sailability which has successfully hosted annual events over a number of years. We are part of a friendly and active club which has just won the RYA Club of the Year 2018 award.

The notice of race is posted on the HCUK website. For those wishing to deliver boats/trailers on Thursday, 12th July the site will be open until 10.00 pm but please let the Sailability Co-ordinator know at the contact address below.

To ensure that the organisers have sufficient notice of numbers attending it is requested that the entry forms are returned as soon as possible. Entries received after 4th July will attract a higher entry fee.

The galley will be open for the purchase for food and drinks during the event. A dinner will be held after sailing on Saturday, 14th July. There will be time to circulate around fellow competitors to reflect on the days sailing. The bar service will be open.

A catering form and details of local accommodation including those suitable for wheelchair users are also on the site.

We look forward to welcoming all competitors, meeting old friends and making new ones.
